

## Smokin' Shop @ the BBQ Vendor Info/ Terms and Conditions

The Smoke Your Butt Off Backyard BBQ is an annual fundraiser event to raise money for the Be The Light nonprofit that focuses on mental health and suicide prevention. This year Saturday May 13, 2023, will be the 8th annual BBQ event and we have decided to add on a building that includes vendors throughout the middle of the day to bring more people in and also give the people that will already be there for other events just another thing to do! We hope this brings in a whole new crowd of people and is a good addition to this year's event!

We are looking for unique vendors that bring their own special flare to the BBQ! We are looking for people who sell fun and interesting products as well as businesses and organizations that are interested in getting their message out there or showing off what they do! We are not including a vendor fee, but we are asking the vendors who are selling products to donate 10% of their earnings at the event back to the cause. The reason for this is so the vendors who have the products in the lower price range don't end up losing money or not making much at all because of a vendor fee. The 10% donation will be capped at \$200. The vendors with a business or organization will just be a free booth with no fee if you are chosen. We will be going through the applications and selecting some of both that we think would do well at the event. Once we have chosen the vendors we will let them know as soon as possible and have everyone else placed on a waitlist in case anything changes. The spaces will be 10' x 10' and you are able to set up however you would like within your area. We will not have tables and chairs available so anything of that sort you will have to bring your own. You will also be responsible for the set-up and tear down of your display and your products that day. Each vendor space will be allowed one free \$5 lunch of their choice that day and everyone is welcome to stay and participate in the BBQ judging (which is a free will donation) at 6 pm. We will have the vendor area open from 11 am to 4 pm and have set-up that morning from 8 am to 11 am. If set-up in the morning doesn't work for you or you have tables/displays you would like to have down there sooner, we may be able to work out the set-up of some of those items, except products, the night before if you let us know ahead of time.

If you have not been to the BBQ before, it is held at the Cass County Fairgrounds just outside of Weeping Water, Nebraska. We have raffle items that we sell tickets for all day and then announce the winners at around 7 pm as well as the Yard Olympics that includes a bags tournament, washer tournament and a closest to the pin golf shot at 11 am! The event is an overall great time that we hope you join us for either as a new vendor or as a guest! If you would like more information on the event you can visit its Facebook page @ Smoke your butt off backyard BBQ-Non Profit or on the website [bethelight402.org](http://bethelight402.org)

If you have any questions, please text Kinlee Wright at 402-689-7733 or email at [kinleewade27@gmail.com](mailto:kinleewade27@gmail.com) and she will get back with you as soon as possible. :)
